### Product description:

Liquid detergent for removing smudges on the floors (linoleum, waxed floors, cast flooring, tiling, paving and other non-absorbent materials), which remain on the surface from the tires, boots, heels and other work shoes, etc. Caution: Do not spray or pour the agent directly on the surface - this may cause removal of wax, or as well as damage to the surface.

### Instruction of use:

Agent is used undiluted and applied to the cloth. Use damp cloth to remove smudges. Before the application it is necessary to wash the treated area by usual way first. We recommend to test the agent on a small piece of less visible part of the surface before applying. Test and remove smudges only by hand.

Caution: Do not spray or pour the agent directly on the surface - this may cause removal of wax, or as well as damage to the surface.
