

Technical data sheet

CLEAMEN 210

Volume: 550 ml
5 l

Product code: VC210005599
VC210050098

0

Product description:

A concentrated product designed for both dilution and direct application in the regular cleaning of all kitchen surfaces and devices, including both stainless and laminated worktops. It has a strong degreasing effect and we also recommend using it for cleaning engines and wheel discs of motor vehicles. We recommend that stainless surfaces should be treated after cleaning with CLEAMEN 220 which is a stainless polisher.

Instruction of use:

Apply the prepared diluted solution as per your selected technological procedure.

1. During handling, always use specified personal hand protection equipment for work.
2. Install the drain-cock instead of the lid and tilt the tank in closed position.

Physical and Chemical properties:

Form: Liquid

pH: >12,00

Colour: Colourless

Odour: Characteristic

Instruction about storage:

> 5 °C < 25 °C. Protect against freeze.

DANGER.

Flammable liquid and vapour. Causes severe skin burns and eye damage.

Precautionary statements: Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Wear protective gloves/protective clothing/eye protection/face protection. IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water or shower. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER/doctor. Dispose of contents/container to hazardous or special waste collection point, in accordance with local, regional, national and/or international regulation.

EUH208 - Contains Reaction mass of 5-chloro-2-methyl-2H-isothiazol-3-one and 2-methyl-2H-isothiazol-3-one (3:1). May produce an allergic reaction.
