## CLEAMEN 141

Volume: 5 l  
20 l

Product code: VC141050098  
VC141200098

### Product description:

A concentrated foamless product designed for dilution for the industrial cleaning of all hard water and alkaline resistant flooring surfaces such as PVC, linoleums, gloss-free tiling, matt graphite and travertine surfaces, teraso, brick and concrete surfaces including cast flooring.

### Instruction of use:

Do not use on marble surfaces, varnished parquet and laminate flooring, wooden surfaces, rubber and other surfaces which are non alkaline resistant.

Application: Apply the diluted solution as per the levels of dirt on the surface by means of a floor automat or circular machine with a pad or a brush depending on the surface type. The product may also be used for manual cleaning with a mop. We recommend regularly cleaning with water.

### DILUTING:

Using 1Ltr bottle:

Always use specified personal hand protection equipment for work.

1. Prepare the bottle designed for diluting or bucket for preparing the solution.
2. Pour the specified amount of water into the bottle, bucket or a machine, designed for dilution depending on the required volume of diluted solution.
3. Take the bottle with the concentrate and select the required amount of the concentrate (use water gauge and volume scale on the bottle).
4. Pour the measured amount directly or funnel into the diluting vessel.
5. Apply the prepared diluted solution as per your selected technological procedure.

	level of pollution		
	•	••	•••
ml/10 litres	40	70	100

### Physical and Chemical properties:

Form: Liquid  
pH: >12  
Colour: Colourless  
Odour: Characteristic

### Instruction about storage:

> 5 °C < 25 °C. Protect against freeze.

**DANGER.**

Flammable liquid and vapour. May be corrosive to metals. Causes severe skin burns and eye damage. May cause an allergic skin reaction.

Precautionary statements: Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Keep only in original packaging. Wear protective gloves/protective clothing/eye protection/face protection. IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water or shower. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER/doctor. Dispose of contents/container to hazardous or special waste collection point, in accordance with local, regional, national and/or international regulation.
