Product description:

Liquid neutral concentrated cleaning agent intended for profesional hand dishwashing and degreasing of all surfaces. Its scent of Sicilian oranges and Ecuador bananas is very nice. It is intended for large food preparation premises. The agent was taken through plate tests with excellent results. It is very effective to remove grease and dry rests of food. It perfectly washes all kinds of materials – porcelain, ceramics, glass, plastic and others. It is useful also to wooden chopping boards, enamel and stainless dish. It is also very reliable in washing of utensils.
