### VAKAVO Orange professional hand washing paste

Volume: 600 g      Product code: VPPVO005099  
0

#### Product description:

Professional cleansing paste designed to remove medium resistant dirt such as lubricants, cement and corrosion from dirty hand skin. To be used mainly in construction industry.

#### Instruction of use:

Skin protection: Thanks to its safe cleaning effect and to its greater foaming ability, glucoside helps to ensure the natural structure of the skin which may be damaged while working in industries and services. Ground lime can remove dirt deep from the skin due to its abrasive effect.

Usage: Moisten hands, apply a small amount of the product and spread until dirt disappears. Rinse thoroughly and dry. We recommend using a cream from the range Isolda afterwards. Not to be used for children under 3 years of age. Store within +5°C and +30°C. Date „Best used before the end of:“ is indicated on the package.
