CLEAMEN 322

Volume:	1 PC	**Product code:**	VC322000198	
	12 PCS		VC322001298	
	0			
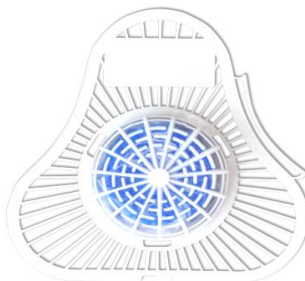

Product description:

An advantage is its high biological activity based on the presence of non-pathogenic microorganisms.
After becoming humid, these become active and produce enzymes which mobilize their metabolism to start disposing of impurities, sediments and dirt, which subsequently prevents the creation of smell.

Instruction of use:

Place the tablet into the block and then into the urinal.

Ingredients:

DANGER. Causes skin irritation. May cause an allergic skin reaction. Causes serious eye damage. Harmful to aquatic life with long lasting effects.
Precautionary statements: Avoid breathing fume/mist/vapours. Wash hands thoroughly after handling. Contaminated work clothing should not be allowed out of the workplace. Avoid release to the environment. Wear protective gloves/protective clothing/eye protection/face protection. IF ON SKIN: Wash with plenty of water and soap. If skin irritation or rash occurs: Get medical advice/attention. Take off contaminated clothing and wash it before reuse. Dispose of contents/container to hazardous or special waste collection point, in accordance with local, regional, national and/or international regulation. Dispose of the cleaned packaging without any residual product content in the sorted waste.
Contains 2 % of components with unknown hazards to the aquatic environment.
Contains: Benzenesulfonic acid, C10-13-alkyl derivs., sodium salts, p-Mentha-1,4(8)-diene, Dipentene, Citral.

Physical and Chemical properties:

Form:	Solid
pH:	8 - 9 (≤ 1% solution)
Colour:	blue
Odour:	Characteristic

Instruction about storage:

> 5 °C < 25 °C. Protect against freeze.
